

Emissions Return (Pre-1990 Deforestation)

Te Uru Rākau
Forestry New Zealand

Emissions Trading Scheme (Forestry) – Pre-1990

ETSP90ERD.8

Before completing this application, please ensure you have:

- notified Te Uru Rākau of deforestation of pre-1990 forest land using the *Notify Deforestation* form available at www.teururakau.govt.nz/dmsdocument/13230-notify-deforestation-pre-1990-forestry-emissions-trading-scheme;
- a forest shapefile which meets the *Geospatial Mapping Information Standard* available at www.teururakau.govt.nz/dmsdocument/4756-geospatial-mapping-information-standard-emissions-trading-scheme-forestry; and
- a holding account from the New Zealand Emission Trading Register (NZETR) in the name of the Participant available at emissionsregister.govt.nz.

Note: This emissions return must be submitted between 1 January and 31 March of the year following deforestation. Deforestation is *generally* deemed to have commenced after the first hectare has been deforested.

All information is MANDATORY unless indicated as 'optional'.

4 Forest shapefile

Under the Climate Change (Forestry Sector) Regulations 2008 (Regulation 17) this form is required to be accompanied by certain geospatial mapping information (commonly referred to as a shapefile). The shapefile content and format must meet the *Geospatial Mapping Information Standard* available at www.teururakau.govt.nz/dmsdocument/4756-geospatial-mapping-information-standard-emissions-trading-scheme-forestry.

I have included my shapefile which conforms to the *Geospatial Mapping Information Standard*.

5 Emissions

Emissions must be calculated in accordance with the Climate Change (Forestry Sector) Regulations 2008. General information on how to calculate emissions liabilities can be found in *A Guide to the Look-up Tables for Forestry in the Emissions Trading Scheme* available at www.teururakau.govt.nz/dmsdocument/4762-a-guide-to-look-up-tables-for-forestry-in-the-emissions-trading-scheme.

It is mandatory to provide the total area of deforested land and the total tonnes of emissions. Areas for sub-areas must be rounded to one decimal place (0.05 hectare is rounded up).

Year in which deforestation occurred:

Date deforestation ceased/will cease:

Deforestation is complete and I wish to deregister from the ETS (tick if applicable)

This return is filed because: (select as applicable):

- The land has been/is being converted from forest land to non-forest land.
- The replanted or regenerated forest species on the land do not meet required thresholds.

Sub-Area ID	Region	Forest Type	Age	Sub-Area area (ha)	Emissions per Hectare <small>(refer to Pre-1990 lookup tables)</small>	Total emissions for sub-area

TOTAL area of deforestation (ha)

TOTAL emissions across all sub-areas
(units to be surrendered)

You are required to keep sufficient records of how you have assessed your carbon emissions for at least 20 years. We recommend that participants provide a copy of their workings with their emissions return. Doing so will help Te Uru Rākau to process your emissions return more quickly.

6 Declarations

Please tick to indicate you declare the following:

- I declare that all deforested sub-areas submitted for this return are Pre-1990 forest land.

7 Acknowledgements

Please tick you understand each of the following statements:

- I understand that the Participant has an obligation to surrender units equal to the total specified in section 5 of this return by 31st May of the year following deforestation.
- If information supplied within your emissions return is required by the Inventory Agency or Registrar of the New Zealand Emissions Trading Register to carry out their functions under the Climate Change Response Act 2002, then the Chief Executive responsible for the operation of the Emissions Trading Scheme must supply that information to them. This information can only be used by the Registrar of the New Zealand Emissions Trading Register for the purposes of carrying out their functions under the Climate Change Response Act 2002.
- It is very important that you have completed this emissions return accurately and truthfully. If you knowingly provide any altered, false, incomplete or misleading information in or with this Emissions Return, you may be committing an offence under the Climate Change Response Act, and if convicted, may be liable to imprisonment and/or a fine of up to \$50,000 (if you are an individual), or a fine of up to \$50,000 (if you are a body corporate).

Te Uru Rākau will not process this form unless all acknowledgements are ticked, and the form is signed.
