## **OFFICIAL VETERINARIAN DECLARATION (OVD)**

For

## Rabies Vaccinations and Rabies Titre Test

I declare that I have sighted the rabies vaccination certificate(s), and the rabies neutralising antibody titration test (RNATT) or fluorescent antibody virus neutralization (FAVN) report, and confirm the information below is accurate to my knowledge.

<sup>&</sup>lt;sup>1</sup> If the animal has only had a primary rabies vaccination, this was given **between six and twelve months** prior to arrival, when the animal was at least three (calendar) months old. If your animal has had **two or more** valid rabies vaccinations (not lapsed) include the **two most recent**. The last one must have been given **less than 12 months prior to entry.**
