

Application Form AP6 Registration of Amendment to Risk Management Programme

Before you start, let's check that you have everything you need:

- You are filling in this form because you have made a significant amendment to your Risk Management Programme (RMP). To confirm the amendment is a significant amendment refer to [Risk Management Programme Manual, Appendix G](#).
- Significant amendments to a custom RMP require evaluation by a recognised evaluator and registration with MPI. Attach the evaluation report to this application.
- Attach the RMP pages affected by the amendment, with the changes clearly identified.
- If your business is a registered limited liability company, you need a copy of the company registration certificate and your New Zealand Business Number (NZBN). See www.companies.govt.nz.
- The application fee according to the payment section of this form.
Note: all fees on this form are inclusive of GST.

Read these notes before you start filling out the form:

- Registration of significant amendments to a RMP with the Director-General of MPI is required under section 25 of the Animal Products Act 1999. This application is also applicable for registration of an amendment(s) to the RMP of a dual operator butcher.
-  This icon is used when you need to make a decision. The question will help you decide whether you need to complete a particular section.
- Throughout this form you will need to tick boxes that look like this: . A checked box indicates a 'yes' answer.
- Send the completed application form together with the fee and any other documentation required (see below) to MPI at the above address. We prefer email files. Processing time is up to 20 working days from the time we determine that your application is complete.
- If there are any changes to the details provided in this application after the application has been sent to MPI, you must promptly inform us of the changes in writing.

Frequently used terms

Business ID = a unique business identifier made up of 3-10 characters with at least one character as a number and no leading zeros.

Evaluator = A recognised person that checks an RMP covers the operations and, as written, will deliver product that is fit for intended purpose. An evaluator is only necessary for RMP's that are not fully based on an approved COP, template or model.

FV = Fishing vessel

GST = Goods and services tax

MPI = Ministry for Primary Industries

RMP = Risk Management Programme

Collection of Information

Collection of Personal Information

Pursuant to Principle 3 of the Privacy Act 1993, we advise that:

- This information is being collected for the purpose of registering a risk management programme under the Animal Products Act 1999; and
- The recipient of this information, which is the agency that will collect and hold the information, is the Ministry for Primary Industries, PO Box 2526, Wellington 6140; and
- Some of the information collected will be displayed on a public register; and
- The collection of information is authorised under section 25 of the Animal Products Act 1999. The provision of this information is necessary in order to process an application for registration; and
- The supply of this information is voluntary; and
- Failure to provide the requested information is likely to result in a return of this application form to the applicant, and may ultimately result in a refusal to register in accordance with section 23 of the Animal Products Act 1999; and
- Under Principles 6 and 7 of the Privacy Act 1993, you have the right of access to, and correction of, any personal information that you have provided.

Collection of Official Information

All information provided to the Ministry for Primary Industries is official information and may be subject to a request made under the Official Information Act 1982.

If a request is made under that Act for information you have provided in this application, the Ministry for Primary Industries will consider any such request, taking into account its obligations under the Official Information Act 1982 and any other applicable legislation.
