# 1 General Information

Users of this document are strongly advised to read all sections to understand the phytosanitary requirements for a commodity.

## 1.1 For enquires about this standard email the Plant Exports Team: [plantexports@mpi.govt.nz](mailto:plantexports@mpi.govt.nz)

Please state the nature of your enquiry in the subject line e.g. Cook Islands query or pest interception or password re-set.

For urgent enquiries please phone + 64 4 894 5693

## 1.2 Scope

The requirements listed in this Importing Country's Phytosanitary Requirement (ICPR) document apply to product of New Zealand only, unless specifically stated.

This ICPR specifies the Cook Island's phytosanitary import requirements for plant products being exported from New Zealand. If a commodity or commodity group is not identified within this ICPR exporters should direct enquiries to :

- Cook Islands directly to ascertain requirements
- or
- Ministry for Primary Industries (MPI)-Plant Exports

## 1.3 Phytosanitary Legislation

The following legislation controls the importation of plants and plant materials into the Cook Islands:

- Plants Act 1973
- Plant Quarantine Regulation 1993

## 1.4 Fees and charges

- Please note that the determination and provision of phytosanitary requirements for a commodity not listed within the ICPR may be undertaken on a cost recovered basis. A link to the list of Plant Exports Fees and Charges is available on <http://mpi.govt.nz/exporting/food/fruit-and-vegetables/fees-and-charges/>
